

The World's Herbaria 2025: Report on Activity for July – October 2025

Issue 8.3, published October,
2025

Barbara M. Thiers
Editor, *Index Herbariorum*

Summary paragraph: Updates to the *Index Herbariorum* database during this period included the addition of 25 new herbaria and 80 new staff members. Collectively the world's herbaria reported the addition of 311,339 specimens during this period. One herbarium was reported as permanently closed, and 57 staff were reported as no longer associated with herbaria. Net gains are 24 herbaria and 23 staff for the quarter. As of 30 September 2025, there are 4029 herbaria with 13,691 staff in the registry, reporting a total of 403,988,134 specimens.

New herbaria added to Index Herbariorum:

Country	Code	Organization	Total Accessions	Date Founded
Argentina	BURN	Universidad Nacional de Rio Negro-CONICET	100	
Brazil	IFIP	Goiás Federal Institution of Education, Science and Technology	295	2018
Brazil	HARA	Federal University Sao Carlos	3000	2025
Egypt	ASW	Aswan University	12000	1987
France	HDR	Domaine du Rayol	2000	2025
Hungary	KFM	Petofi Literary Museum	21100	
India	HSJPN	SNJU Trust Polytechnic	100	
India	HMH	Hortus Malabricus Botanical Garden and Research Institute	1650	2025
India	BRICIBSD	Institute of Bioresources and Sustainable Development	1000	
Indonesia	MUBR	Fakultas Matematika dan Ilmu Pengetahuan Alam	3000	
Ivory Coast	UNAB	University Nangui Abrogoua	4500	2006
Kazakhstan	AIU	Astana International University	520	2022
Mexico	UDLAP	University de las Americas Puebla	727	
Nigeria	MUHE	Maduka University Ekwegbe Nsukka	100	2025
Nigeria	UPH	University of Port Harcourt	200	
Nigeria	FULPSB	Federal University of Lafia	244	2016
Saudia Arabia	KMH	King Abdullah University and Technology	1500	
Turkey	BUTOF	Bursa Technical University	350	2025

USA	SIO	Scripps Institution of Oceanography, University of California San Diego	4874	2023
USA	HMCM	Nature Center and Museum, Huron Mountain Club	1778	
USA	BOTR	Audobon Connecticut, Bent of the River Audubon	1500	
USA	MDLT	Mojave Desert Land Trust	213	2018
USA	NACHO	North Arkansas College	350	
Zambia	ZAHBRI	Zambezi Horticultural and Botanical Research Institute	1000	

Herbaria reported as permanently closed:

Country	Code	Institution	Notes/Disposition of Specimens
Germany	FB	University of Freiburg	17000 specimens transferred to STU
